World Curling Federation rules apply, unless otherwise indicated below or explained during the Team Meeting.

All games will be eight (8) ends, with extra end(s) to break tied games.

First named team will play top of the scoreboard (light stones) & have first practice except in the games marked in the playing schedule where a coin toss will determine 1st/2nd practice.

There will be a seven (7) minute practice for each team before each round robin game. The practice starts at the times on the draw.
